Dear Parents,

With this letter is a green information sheet regarding the National Under15 tournament to be played in Albury (NSW). This tournament is held in the first week of the school holidays (5th-10th July). It is an excellent tournament and will be a valuable learning experience for your child. The approx. cost would be around $490.00. This cost includes tournament entry, travel, accommodation and all meals.

Potential players eligible for the 5 teams include any year 9’s who are under 15 years and all of the year 8’s (ie born 2001 or later). We plan around working with 9 players per team so that we can give all players good court time and thus maximise their learning at this tournament.

**Trials and Training**

Trials will be afterschool over the next week 3 weeks, starting next Monday (4th May).

**Mondays 3.30pm – 5.00pm --- 4th, 11th and 18th May - Mt Lofty Sports Centre**

We will make the final selection after the 18th so the touring players have time to complete the payments and forms.

Trainings will then be every week (the time to be determined) for the rest of the term. We need to fit around trainings for State Cup teams from week 6 onwards, these teams which could be quite different to the Albury teams.

If players cannot make the trials, then the boys must inform Mr Scott and the girls Ms Heikkonen **BEFORE** the trials, this is a critical part of the program culture.

If you have any questions, please contact Mia Heikkonen, Stuart Scott, Lachy Abbott, or Peter Giannes at school.

Parents are welcome to attend the event and you can contact me regarding further information on 0408851154

Regards,

Stuart Scott
