Introduction for parents and players

This will be our 31th year of competing in the Australian Volleyball Schools Cup. We are the only school in the history of the AVSC to play in all 31 years of competition. We are also the current NATIONAL SCHOOL CHAMPIONS and are working hard to give us the best chance of retaining the title.

This year once again, Lachy, Mia, Peter and I have been pleased with the efforts of our teams. Brighton has also been very strong this year and we look forward to the challenge of playing them and a lot of other interstate schools once again in Melbourne.

In summary, don’t stress, work hard, have fun and do the best you can, both on and off the court. Please support your coaches, managers, team mates, parents and all our other teams and I will be sure once again we will be well pleased with our results at the end of the week.

Big Matches:
Hopefully we will also be able to get together in small groups or as a large squad and all support and experience the Heathfield army cheering machine in action. These matches are quite rare, although we have been fortunate to have a few over the last 2 years and they are the very memorable ones, so look forward to them. We can all remember the OHB Grand Final last year where the whole volleyball squad was cheering for the boys in a thrilling 5 set match.

Behavioural Expectations:
This year we are taking away 241 students and 76 officials. In light of this it is perhaps prudent to clearly go through the expectations placed upon the teams. We have all made a massive commitment with the trainings, costs and time spent on developing our skills and game knowledge and a level of trust has been developed that implies behavioural issues don’t need to be mentioned. However, just to make sure there is no confusion, it is the absolute expectation that volleyball, and your positive role within your team and the volleyball squad, comes 1st, 2nd, and 3rd. The week will require give and take from everybody as we strive to achieve our aims, and I hope that one of the skills you will be able to show us is your ability to put the team, and its performance, before yourself. We are proud of the self-discipline in our program, it is second to none (Last year was exceptional), but every individual in the squad has to be vigilant during the week to maintain this level.

Expulsion:
We are very proud of the fact we have never had to act on this in 30 years at this event. However, we must mention this so there can be no confusion, please be assured that any behaviour that reflects badly on our team mates and the Heathfield Volleyball Program will result in Mr Brown being asked to organise your immediate return to Heathfield at your parent’s expense. Parents, please be aware this will be enforced if required.

Coaches:
We have over 70 adults travelling with us. All of them have gladly given up their precious time, some having taken a week of their annual leave to assist you. All they ask in return is for you to use your common sense and manners (a card and a gift helps as well). We all hope to be part of a team and I will be very disappointed indeed if your behaviour, thoughtlessness or lack of consideration makes us put on our teaching hats and make us do the “heavy teacher thing”. We will have over 100 parents there as well.

For those of you who have been before, it will be great to be going back with you. For some of you this will be your last year as a player. Thanks for all the work you have done already and I hope that this year lives up to your expectations. For the new players, you will soon see why so many of us consider that this is the best week of the year. I wish all of you the best of luck and I hope that your aspirations for the tournament are fulfilled. Just remember if we support each other as a team we will once again be the team the rest of Australia will have to catch.

Yours Sincerely,

STUART SCOTT
SIV Program Manager
Consent Notes
A note was handed in with your $200 deposit earlier in the year indicating your child’s intention to compete in Melbourne. We have a larger more detailed (yellow) consent note at the back of this student handbook. We ask that this is to be returned by Thursday November 13th to help us in our preparation for Melbourne.

Medical Consent Note:
This medical consent note is also attached to the yellow consent form. All medication must be registered with Mr Scott. He has a list of banned substances (sent by the Australian Sports Commission). This list includes some cough medicines. Remember this is an event sanctioned by the Australian Sports Commission and random drug testing may be carried out during the week. Details regarding medication must be included on your medical consent note.

Swimming Consent Note:
This consent note gives you the option of allowing your child to go swimming at the Melbourne Sports and Aquatics Centre pool. This pool is set up for public swimming, with life guards along with the team’s coaches and managers will be present.

Media Consent Note:
In this consent note you will be giving us permission to take video and photographs of your child for both school and Australian Volleyball Federation use. We produce a free DVD of the week in Melbourne which will be available for the players and coaches when they get back to school in 2015 which is made by some current and ex Heathfield High School students. This DVD will also have a library of photographs from the Schools Cup. There are guidelines regarding photography at this event and these can be read on the web site at http://www.avf.org.au/index.php?id=105. We would also like to put up our show reel on YouTube to show the rest of the world what our Heathfield High School Volleyball program is about so please get the relevant forms attached filled out and return them to Peter in the Sports Centre by Thursday November 13th.

Payment for the Melbourne Trip

Deposit:
The original deposit of $200 was paid earlier in the year. The final cost of the trip which has been invoiced is $950.00.

Final Payments:
The final payments for the Melbourne trip are due on Thursday the 13th of November Cashier not open Friday 14th).

- Payments can be paid in cash or cheque (cheque made out to the school)
- On line with BIZGATE off the school website
- Or phone Dot at school and pay by credit card over the phone.
- PLEASE NOTE: - We are very busy round this time and we do not want to be chasing up people who have not paid on time.
- ALL money must be paid to the school cashier, NOT the Sports Centre.

Collecting money and forms is the most frustrating part of the program. We ask that you continue to support the “Big Team” concept by being prompt with forms and money. (Early is even better!)
Packing for Melbourne

Clothing:

Only the beginners take lots of clothes.
"I took way too much gear" Year 8 Girl - 2013.

You will not need a lot. A part from your volleyball gear you will need casual gear for the bus (there and back) and something to wear out to dinner on the first night and that is about it.

Money:
We don’t want anybody in our volleyball program to lose money on this trip. Mr Davidson (Davo) will be the squad treasurer.
When you arrive at school ready to leave for Melbourne, you should have your money in two lots.
1. Cash for the trip over and for the first day on the bus (around $20.00)
2. An envelope (with your name and team on it) with the rest of your money to give to your team manager who will then give it to Mr. Davidson for safe keeping until you need it. On this envelope you write (for example) - 10 x $10.00 = $100.00

When you get to school at 6.00am and you have dropped your bags off at your bus, please go to the Multi-purpose room in the Sports Centre, where your manager will be waiting. Please give them the envelope with your money in it. They will check it and put it in the team money bag. This bag will be locked in the safe at the college. Any morning at breakfast time in the dining room you can see your team manager who will get your team bag from Davo or Jodie Bowd and they will give you your money as required.

Spending Money:
The senior players assure me that $90-$120 is enough spending money. You only need money for lunch and any activities your team may decide to do. Do not carry around large amounts of cash with you. Keep a minimum with you and top up each day from your manager at breakfast. If you want to spend money at the Melbourne markets, take extra. Some money for a card and gift for your coach and manager would also be nice.

Volleyball Uniform:
Be very careful as Heathfield High School volleyball gear is highly sought after by interstate teams. Keep your bags together and ask your manager to look after gear. In past years we have had Heathfield tops pinched from the back of chairs and bags full of gear stolen. You are required to wear either Heathfield uniform, Heathfield tracksuits, polo shirts or rugby top to matches. If you have any problems with this please see Mr. Scott before you go.

Jeans and casual clothes are not permitted at matches. We are a part of not just any team, we are a part of the Heathfield BIG TEAM!

Travel to and from Melbourne

Parking for Parents (On the day of Departure):
Parking will be available in the gravel car park next to the beach courts or in front of the school. Please do not park in the Mt Lofty Sports Centre car park as there will just not be enough room for the six large buses.

The same will apply when we get back from Melbourne. Please leave the Mt Lofty Sports Centre car park free for the buses. We thank you in advance for your cooperation.

Departure Times:
The bus leaves the sports centre driveway on Saturday 6th of December at 6.30am sharp. Please be there by 5.45 am.
Money to Managers in meeting room as soon as you arrive, must be done before 6.10am.
Farewell meeting in the Sports Centre at 6.15am.
Kiss & Hug time is 6.20 am.
If you are late, catch us at Murray Bridge and jump onto the bus.

Buses:
We are using Kanga Coaches for the 2nd time to Melbourne. Please make the drivers feel like they are a part of our “Big Team” and make them want to come on the trip again next year. We ask that you not chew gum on the bus and that you clean up your rubbish yourself. Sticking your mess under the seat will only result in a team mate, your coach or your manager having to clean up after you. Please use the bins provided. Manners and respect for others are required as always. We will be using 6 Kanga Coaches and 1 Mini Bus. When buying drinks please buy bottles that have screw on tops. We suggest you drink water or fruit juice on the trip. The buses have seat belts and by law must be worn at all times with players seated facing the front.
Food on the Buses:
Inexperienced students will spend just far too much at every service station we stop at on the way there. Smart people will take a packed lunch. We will stop at Horsham for lunch at a park. We usually will have Brighton, Loxton, Willunga, Hallet Cove, Renmark and Unley High Schools there sharing the park as well. **Don't drink from other peoples' bottles. There is a real danger of catching other's bugs.**

Arrival in Melbourne:
We will arrive in Melbourne at Ormond College at about 5.00pm (EST). At 6.30pm teams will walk to Lygon Street so we can eat with your coach and manager at a restaurant of your teams' choosing. At 8.00pm we will return to Ormond College for a full squad meeting. Players are not permitted to eat take away food at Lygon Street. You will be given $20.00 by your manager to pay for this meal.

Back to Heathfield:
We return on Saturday morning the 13th December at 9.00am (CST). Again, as before, parents can you please not park in the Sports Centre car park.

Accommodation in Melbourne:

**Ormond College:**
49 College Crescent Parkville Vic (03) 93441221
www.ormond.unimelb.edu.au

Our teams will be allocated distinct areas with their coach and manager. The bedrooms will not be allowed for you to socialise in, the grassed areas or the courtyard can be used for this. All meals will be served in the dining room and are self-service. Table manners of the highest order are expected. Heathfield students have an excellent record of polite and responsible behaviour. It goes with the level of professionalism expected of our whole team.

Senior players are asked to help us with supervision in this area as well. Your breakfast and tea are included with the accommodation. If you have a match later than the scheduled tea time, your manager will inform the college and will arrange for your tea to be there when you get back to the college. This is a special deal by the college staff who go to a lot of extra work for us. Please appreciate it and clean up afterwards. Make sure you wash your hands before eating so that you do not get sick or make others sick.
Meals:

Dinners include:

- English - Roast Beef, Chicken and Vegetables
- Mexican - Beef or Chicken Tortillas
- Italian 1 - Chicken Parmy
- Italian 2 - Pasta with a choice of sauces
- Asian - Variety of Asian dishes with rice or noodles.

Aussie BBQ on the last night.

All students who have special dietary requirements should see Ms Fischer (ASAP) so we can let the college know and so they can cater for your dietary needs.

Bedrooms:

The boy’s wings and the girl’s wing are on different sides of the college. Students have their own room. Any boys in the girl’s wing or any girls in the boy’s wing will get a very fast trip back to Heathfield at your parent’s expense. If you do not understand this see Mr Scott as soon as possible so he can explain it again.

Each room has its own key which you will be responsible for. It will cost you $40 if you lose it. When at the college please wear your key around your neck at all times. When getting on the bus to go to a playing venue your manager will collect all of your keys. Please also make sure that you label each key with your name on it to save time sorting out whose key is whose.

Team Information:

Lunch:

I will have a meeting with the junior teams before we go regarding diet. Essentially we expect the teams to eat fresh food, this means rolls and fruit for lunch. All players are reminded that you need to drink a glass of water for each 15 minutes of activity. Your team can order great value rolls through Thresherman’s, a great Melbourne bakery. Cost is generally around $7.00 - $8.00 per day.

Opening Ceremony:

This will be on Sunday afternoon at the Stadium. Last year we had our very own Jamie Belsole perform the Australian National Anthem which brought the house down. The coaches will be at a competition technical meeting before the opening ceremony. After the opening ceremony we will be taking team photos with some teams then staying at the venue to support any teams that are playing. We will stagger the busses back to the college where you will then have dinner and team meetings.

Injuries:

All injuries must be declared to your coach and they again will negotiate with you for treatment. There are also a number of sports trainers at the venue. We have Shelley and Matt Clarke as our Heathfield Physios again this year. At least one of them will always be at MSAC. They are both physiotherapists with Matt one of the Directors at the Physio Alive & Pilates Clinic. Please make them both feel welcome. You must have your coach or manager with you when you visit either the physiotherapist or the sports trainers at the playing venues.

Dumb and Dumber:

Please don’t do dumb things. One year, some year 8’s purchased laser pointing pens from the Victorian markets and then used them at the venue. They were immediately confiscated by the tournament officials and were not returned. Needless to say, this is fairly stupid behaviour and did not help Heathfield’s reputation. It is difficult for me to list all of the stupid things that can be done. We rely on your common sense. Please think, make smart choices.
Team Officials:
Players, please remember that the teachers, coaches and managers are giving up a week of their time for you. Please appreciate their efforts and make them feel very welcome as they are an extremely valuable part of our “Big Team”.

Doing our Best:
Heathfield’s aim is, and always has been to do the very best we can. If we can do that, then there is no more we can do and we must all be very happy with our efforts. Generally, we find if we do our best and have a real crack most teams in Australia just cannot keep up with us.

Umpiring:
Last year, Heathfield was fined $0 for having unqualified people refereeing. This was the third year in a row that we got it completely right! **ONLY QUALIFIED PEOPLE CAN REFEREE OR 2ND REFEREE.**
Qualified coaches, managers and competent qualified students are expected to do the top refereeing.

Bring Your Whistle:
Referee whistles will not be supplied in the team gear as you should all have one. Please make sure you bring it!

Theft:
One of the Competition rules states that “any stealing at the tournament will result in the disqualification of the team and the police will be notified”. This rule applies in all U.S.A. Tournaments and, it now applies here. Remember that this is the largest school sporting event in Australia and that some people unfortunately are thieves. This includes stealing volleyballs from other teams. Please don’t make this an issue.

Team Equipment:
Each team will be issued with a bag of volleyballs with your team number on them. Once the warm up is completed put the balls in the bag and zip it up. Do not allow team members or others to get balls out. Your team may end up paying for any lost ones. Team managers will allocate team members with responsibility for team equipment. Somebody will get the bag of balls and drink bottle rack.

Thick Shakes/Humphries:
In the past, Humphries have highlighted a range of behaviours and actions that need to be monitored. If teams decide that they will follow the Humphrey path, these are the guidelines used.

Any team winning a set in a State or National title 25-5 or under will win a thick shake. One year over $200 went to teams winning thick shakes. The funding for the thick shakes comes from the Humphrey fines. DON’T expect to get thick shakes if your team decides not to do Humphries. What are Humphrey fines you ask? Read on.

Humphrey is a Humphrey Bear plastic money box which will be eagerly filled with dollar coins for the following transgressions. (By teachers, coaches and managers as well so be really careful)

Voice identification:
To keep conversations at a respectable level in the bus, if an official can identify your voice on the bus because you are being too loud you have to pay a Humphrey (Cost $1).

Swearing:
All swear words, as defined by the Heathfield book of un-gentlemanly and un-ladylike expressions will also be considered Humphries and will cost $1. (Some may cost $5.00.) Again this includes all officials – Nobody gets off free.

Dummy Spitting:
Any examples of dummy spitting on or off the court will be deemed as a Humphrey infraction ($1.00).
Lateness:
All team personnel will be fined (Humphries) $1/minute/person for being late. This includes coaches, managers and teachers.

Serving Out:
- **Serving out** on set point $1.00
- **Serving out** after a delay in game (time outs, substitutions etc.) $1.00
- **Serving out** after your team mate has served out (this jackpots – maximum $1,000,000).
- **Phones ringing during team or squad meetings** ($1.00 to the fund)

Managers and coaches are the only exception as they are to be contactable by phone 24 hours a day. Managers and coaches will manage and collect the fines and will buy the thick shakes. Do not expect the thick shake rewards if your team members do not pay the fines.

Washing:
Managers will help you wash your uniform each day at the accommodation. Please help your manager by having all of your clothing named and in your washing bag and assist in any way that you can. (i.e. folding/sorting clothes)

Match Program:
The final match program will not be available until 6.00pm during the coaches meeting on Sunday the 7th of December. Draft draws are available from the Australian Schools Cup web site up to 1 week before the competition. They will be on the volleyball noticeboard in the Sports Centre as soon as we get them.

Visits by Relatives:
A number of players will have relatives in Melbourne. A letter FROM PARENTS before the trip will be required for a visit to take place. Please correspond with your manager.

After Your Match:
After your game, you collect your full, perfectly zipped up ball bag and other team gear, you check that your bench area is clear of litter and water and then move off to your team meeting as organised by your manager/coach.

Drug Testing:
This event is held under the control of Volleyball Australia and therefore the Australian Institute of Sport. The event is consequently subject to random drug testing. If you take medication and you have logged it with Mr Scott there should not be any problems.

Alcohol, Smoking and Illegal substances:
**No warnings.** If you let us down in this regard Mr Brown will be contacted immediately and he will organise your return home at your parent's expense. We have never had a problem. Please keep it that way.
**Competition Venues:**
Matches will be played at the Melbourne Sports and Aquatic Centre, the State Volleyball Centre (near Dandenong) and the State Netball and Hockey Centre. The Melbourne Sports and Aquatic Centre is 30 minutes away by bus from where we are staying. The Victorian State Volleyball Centre is about 45 minutes away in the opposite direction. The State Netball and Hockey Centre is 10 minutes away.

![State Netball Hockey Centre](image2.png)

**Team Spirit:**
Every year the Heathfield "Machine", (our barracking team mates, parents and volleyball officials) swing the result of close matches. Last year we had great leadership from many of our senior and junior players. This year we are sure to have some close matches against rival schools. When supporting our teams, remember your manners and do not drop to the level of some other schools.

Last year we helped the OHB win a thrilling 5 set match that helped us win the overall National Title. We can all remember and can see on YouTube the support we gave to the Open Boys, the Under 16 boys and the Open Girls in their Grand Finals which they all won in 2010. I hope we see a lot of this during the week from all Heathfield players, coaches, managers, and parents who are all a part of the “Big Team”. Make them all feel valuable members of the team.

If you see a Heathfield team playing during the week don’t just walk past, support them as they are part of your team. Their match may be the point that will win the title for us. Don’t just wait until finals day, games during the week are just as important and can change where a team finishes.

**Feedback:**
You will need to identify what you can do and what we need to do better for next year's championships. When we are back home you will be asked to fill in a National Schools Cup feedback survey that Peter has created which will be done online. You will have to do this on the bus on the way home OR on the Saturday when we get back home. No matter how we do, we seek to be better next year.
Tournament Rules and Fines:
Please remember that this tournament is the biggest school sporting event in the Southern Hemisphere. It has to be managed tightly and safely. If you break rules, which will be explained to you clearly, the tournament officials will issue you with a fine that you will have to give to me and we will have to pay it. The school will have to pay this fine but you can be assured that I will get the money back off you.

- Basic fines are for hitting volleyballs in the foyers of venues (which venue managers and the public get stroppy about).
- Leaving litter behind—either on the bench after a match or after you have eaten lunch. Fines will also be issued if you take food into any of the venues which again we cannot argue about. All these issues make sense and we have to support the organisers.
- We also get fined for not having qualified people referee.
- Eating in the competition venues

Thank the Officials:
Remember all the officials and organisers give up a week of their holidays to assist in the running of this event. Please appreciate their efforts and thank them when you see them.

General Information:

Keeping in Touch with Parents
All team members are expected to ring home at least twice. The team managers will be asked to check on this. Remember your parents are an important part of the team. As such they need to be kept informed of your progress during the week. Managers having to collect mobile phones before bed will again be decided by you and your teams level of maturity.

Shopping and Sight Seeing:
When your match commitments allow, your team is more than welcome to go shopping or to do touristy things. “Bungy jumping & ice skating” are banned! Your coach and manager will go with you and will manage these visits.

M9-Laser Wars, Kingpin Bowling & Swimming:
There are a number of specials on offer for our players at the Crown Casino — they include King Pin bowling ($9.00) and M9 Laser Wars ($9.00). You can do both bowling and Laser Wars for ($16). Teams will also need to organise bus travel with Davo. The swimming pool at MSAC is offering 50% discount for volleyballers who would like a swim or a chance to use the wave pool.

Parent Information: - Parents to keep

Parents back in Adelaide:

Sick Children:
The odds are, with 240 plus players, one of these players will be sick the day we are due to travel to Melbourne. It is certainly not good practice to allow this child to travel with 240 well players in a restricted environment like a bus. We suffered severe consequences one year and had a couple of close calls another year. We need to know about any illnesses. If your child is unwell when we are due to leave, please contact me and we will make other arrangements for your child to travel to Melbourne if this is required.

Players Eating Habits
One year there were a couple of players who, in our opinion, did not have acceptable eating patterns for athletes. If your child has an issue REGARDING FOOD that we need to be aware of please let us know. Ms Fischer has asked for all players with special diets to contact her so we can let the college dining room know.

Court Time:
Court time for players is always a concern that sometimes gains momentum around Wednesday or Thursday at the Nationals. My view, which has been communicated to the coaches is as follows. In a perfect world, all players would train as hard as each other, they would attend all trainings without missing any sessions and they would all know what is going on all the time with regards to their team. They would all be at the same standard. That, we would all agree, would be great and very easy to manage.

**The first reality is that**
- some players do more than others at trainings
- some are more professional than others
- some work harder than others
- some are better than others
- some are keener, more desperate and concentrate harder
- some players, just want it more

**The second reality is:**

That **ALL** players have had the same opportunities during the year in terms of training opportunities. Some have used them well, some have not. We now go to Melbourne to see how good we are and to see how good they are.

In the Honour Divisions the emphasis is very much on getting the best results possible. Players have been selected for specific roles within the team, some of these roles may not involve the same amount of court time as others but are extremely valuable in the structure of the team.

In the other divisions coaches endeavour to give all players relatively equal court time but will depend on the roles that they play in the team. But again, if the crunch comes in a match the coach is expected to use the players who are at that stage doing the job. If they are on the bench then they are expected to be positive and supportive and are still able to contribute to the success of the team.

The Bench (If you have travelled to Melbourne to watch your child):
Volleyball rules specifically allocate seats on the bench to officials and players of the team playing. Can you please support us by using the allocated spectator seating. The players I know will appreciate you being there as it is an important part of the Big Team concept. Please be aware during matches the coach needs to concentrate on the game. We had one parent deliver a pie with sauce to a player who was on the bench in Junior League. **This was not a big help to us**

Referees:
I have to bite my tongue with referees and so do you.

**I cannot think of any occasion where it would be appropriate for a parent or spectator to address a comment to a referee** no matter how helpful you are trying to be.
**Communication with your Child:**

This is a tough one. We hope that you are able to enjoy this tremendous experience with your child at this event. The caveats are that the Heathfield players belong to teams and the bigger Heathfield team. We would appreciate it if you could respect this.

Examples that may help are:

It is not appropriate to talk to players during a match. There will be times when our players will be very happy or very sad and the appropriate forum for these emotions is the team. If players have just lost an important match, well, that is just sport and we need players and the team to deal with these emotions in a responsible way. A mum’s shoulder although comfortable, is not required, as it may inhibit your child’s learning for the week. Once the teams have shaken hands and the Coach/Manager has finished with the team meeting, then go for it.

**OF COURSE IF WE WIN A BIG MATCH, HAVING PARENTS JUMPING UP AND DOWN WITH THE TEAM AFTER THEY HAVE SHAKEN HANDS WITH THE OPPOSITION IS NEARLY COMPULSORY AND THAT IS WHY WE LOVE THIS TOURNAMENT.**

**Duties:**

These are expected to be done well.
Talking to players doing duties or lines will not help us.
The officials will also have something to say as well and we can be fined.

**Injuries:**

This is an area where you can help. Initial first aid will be the responsibility of the coach and manager but it would be appreciated if you could help, if further treatment is required. All players are **not permitted** to seek first aid from the sports trainers without an adult from Heathfield High School being present.

**Supporter Apparel:**

Parents are more than welcome to purchase Heathfield Volleyball polo tops
Heathfield High School Polo Top - $40.00
Heathfield Rugby Jumpers - $60.00
Heathfield “Old School” Jackets - $15.00

**“Big Team Meeting”**

You are also invited to our “Big Team” meeting at the college after the grand finals. Please see Davo, a coach, manager or Mr Scott for more information. If you really want to see what the Heathfield Volleyball program is about, and why it has been so successful, then please come. We will also have a very quick “Big Team” meeting when we arrive back at Heathfield that you are more than welcome to attend.

**Thank You**

Once again, thank you for the opportunity to work with your child during the year. We hope they have a successful and rewarding time in Melbourne. We hope your family has a great Christmas and we look forward to catching up with you all in the New Year.
