Dear Parents,

23rd March 2011
Letter 2 of 2
Gold Ball Tournament

In order to give our players match practice before the Under 15 tournament in Albury we have organized our annual Adelaide tournament in our own Mt Lofty Sports Centre this weekend.

The tournament is called the “Bendigo Bank Gold Ball” tournament and is sponsored by Bendigo Bank, Mikasa Volleyball and the Stirling franchise of Bakers Delight.

Your child has expressed a desire to play in this tournament and has been placed into a Heathfield team.

Attached to this letter are the following.

- Tournament draw for the weekend. (This is also available on our web site.)
- Canteen Roster and a list of items promised to the canteen by our parents.
- Team List

On behalf of the players and the volleyball coaches I would like to thank you all for the generous help you have offered during the weekend. These weekends could not happen without your generous support. We are the only school that run their own tournament and we are one of only 3 schools that will attend the National Under 15’s in Albury. Although these events are time consuming to run, the experience and fun your kids will get will be well worth our time.

This tournament will consist of 5 matches (50 minutes playing time and a 10 minute warm up). We will be playing against teams from the Norwood Volleyball Club, Henley Hawks Volleyball Club and 4 teams from the Mildura Sports Academy.

This will be the first tournament experience for many of these players and so I am sure you will see some interesting things.

The cost of the tournament will be $12.00 per player with all the profits from the tournament and the canteen going into the Albury Under 15 budget to help pay for evening meals in Albury.

Once again, thank you for your support and we look forward to seeing you on the weekend.

This is a great little tournament and an enjoyable weekend on our volleyball calendar.

Regards
David Eldridge
