Welcome:
Well, what a great start to the year! We have a great new bunch of year 8’s and some new senior students who have joined the school and our volleyball squad. Welcome to you all! Our beach courts had a work out with our Bombora tournament played last term. Our senior students have already been to Warrnambool and we have had our Under 15’s travel to Albury in the first week of the holidays. State trials have begun with some of our players already picked in the 16’s, 17’s and 19’s boys and girl’s state teams.

NATIONAL SCHOOLS CUP 2012 RESULTS
- Heathfield High School (SA) 582 Points
- Brighton Secondary School (SA) 570 Points (-12)
- Eltham (Vic) 567 Points (-3)
- Craiglea (QLD) 521 Points (-13)
- Rossmoyne (WA) 512 Points (-4)

Congratulations to Heathfield High School for winning the Australian Schools Cup! MASSIVE thanks to all the players, coaches, school staff and supporters during the nationals in Melbourne. Once again we had a trouble free week and we played some great volleyball. Your feedback sheets show you enjoyed the week, the accommodation, especially the fantastic quality of the food and that you look forward to going back to “Hogwarts” (Ormond College) later this year.

It was also great to see the Heathfield “BIG TEAM” back in action, supporting our own teams in some huge battles during the week. The 15HG grand final was something to watch as the Heathfield army came into action and helped our girls fight to a close 5 set thriller. Our support for each other was fantastic. Thank you to the senior players in taking charge and leading this culture through the whole year.

Open Honour Boys Bronze Medallists

16 Honour Boys Gold medallists

17 Honour Boys Gold Medallists

15 Div 1 Boys Gold and Bronze Medallists

15 Honour Girls Silver Medallists
Melbourne Report 2012: (From HHS website December 2012)

Heathfield High School took a record 26 teams to the 29th Australian Volleyball Schools Cup last week with outstanding results. The Special Interest Volleyball (SIV) Squad were once again successful on the national stage in Melbourne – bringing home to the Adelaide Hills the Gerflor Cup as the most successful school competing at the championships.

Heathfield High School has now been competing in this tournament in all 29 years, and up until this week had amassed a record setting 63 national titles. The competition has grown from just 34 teams in 1984 to a record 471 teams this year from 139 schools, from all states of Australia and overseas and compete in both boys and girls across four divisions.

In the 8 Honour divisions, Heathfield achieved Gold in U17 boys, Gold in U16 boys, Silver in U15 girls, Bronze in Open boys and Bronze in U15 boys and won back the overall schools cup to reclaim the title of the best Volleyball school in Australia. Heathfield also gained a Gold and a Bronze in U15 Div 1 boys and Silver in U15 Div 1 girls.

Jamie Belsole, a member of the Heathfield U17 Honours girl’s team, started the week with an amazing rendition of the National Anthem in front of a packed stadium, filling the Aquatics section of the Melbourne Sports and Aquatics Centre. Over 2,000 people were completely mesmerized by her performance followed by a spontaneous and sustained applause by every single person present. They all felt they had witnessed something very special.

The week of games started very well with most teams achieving wins early in the competition setting up a solid start for the squad. By Wednesday many teams were in the top half of their competition with several ensuring a top six spot. Thursday in the Honours divisions the open boys won a spot in the semi-final defeating St Bernards in the morning and in the afternoon played the Semi-final. In an epic close fought battle the lads went down to the eventual winners Aquinas. The open girls played outstanding volleyball to defeat Rossmoyne but did not have enough premiership points for a top 4 spot but finished a credible sixth place in Australia. The U17 boys and the U15 girls won their semis to go straight into their grand finals while the U16 and U15 boys still had to play their semi-finals Friday morning. Friday saw several Heathfield v Mazenod matches with the Open boys taking bronze with a 3-1 win over Mazenod, the U15 boys lost the semi-final to eventual winners Mazenod in a classic 5 setter but were able to grab bronze from Brighton 3-0. The U16 boys won a place in the final with a 3-0 win over Billanook and then defeated Mazenod 3-0 for gold.

The U15 Honour girls reversed their minor round clash with Nambour with a 3-1 win in the semi-final to have another go at the undefeated Brown Plains State High School from Queensland. The first two sets went to the powerful and polished Browns Plains but the Heathfield squad started to gather from watching other finals and the girls dug in deep to win the next two sets to be the first team for the week to take them to five sets. To the credit of the players from Queensland, they held their nerve to win the fifth set, despite an energy filled atmosphere with around 300 people cheering in close quarters for the young Heathfield girls.

The closing ceremony followed with the 8 teams receiving their medals. Also Jake McIntyre won a scholarship for being the best referee in the competition. It was always going to be extremely tight for the overall schools cup as Eltham had several Honour teams in grand finals including the Open boys and Open girls which are worth more points than the other age groups. Scores were read from 8th place and it was mentioned if Eltham had won just one of their finals then the order of the final three teams would have been different, it was that close. The squad erupted when the announcement was finally made that Heathfield had won the schools cup. Regaining the cup rewarded the hard work by the volleyball staff, Lachlan Abbott, Mia Heikkonen and Mark Nielsen, all of the coaches who are all ex Heathfield students and of course the players. Brighton were second and Eltham a very close third. Some 220 players, 26 coaches – most of which are ex HHS SIV members, 26 managers and some additional logistical and administration staff participate in and coordinate the trip.

Travelling back overnight last Friday night, the 6 busloads were greeted rousingly by waiting parents and well-wishers on Saturday morning in the car park of the Mt Lofty Community Sports Centre (on the grounds of HHS), as sleepy but very happy players emerged from the buses to return home and recover.

Stuart Scott
SIV Program Manager

15 Girls Div 1 Silver Medallists

AUSTRALIAN SCHOOLS CUP CHAMPIONS!!
Service Awards:
Also presented at the opening ceremony was a 20 year service award to Ian Scarborough, 15 year awards to Indra Reinpuu and Tanya Fischer and 10 year awards to Amy Allen and Brian Kempe for their years of attendance at the Australian Schools Cup. We thank them for the many years that they have put into the Heathfield High School Volleyball Program!

Most Valuable Player Awards:
Congratulations to the following players who won the MVP (Most valuable player) award in their gold medal matches at the Australian Schools Cup:
Simon Grey: 17 Honour Boys
Ben Williamson: 16 Honour Boys

Life Members:
Congratulations also to the coaches who were granted “2012 Life Membership” of the Heathfield High School volleyball program. These people were Marg Clarke, Scott Madsen, Amanda Baldock, Jason Matulick, Jason Potts, Zelda Geeson and Ian Scarborough.

Squad Captains:
After considerable discussion we have appointed the Heathfield Volleyball captains for the 2013 season.

Boys Squad: Jake McIntyre
Girls Squad: Georgia Williamson
Open Boys: Jordan Colotti
Open Girls: Mia Suraharjo

Congratulations to this volleyball leadership team for 2013. I am sure all coaches, managers, parents and the rest of the squad offer them our full support for the task ahead in 2013.

YEAR 12’s
Congratulations to our year 12 students who once again did themselves and the volleyball program very proud. Marc Phillips, Eloise Foale and Chloe Bartel all did very well in all their subjects scoring in the high 90’s when also dedicating afterschool trainings and Saturdays for volleyball.

In week 2 in Term 1 these 3 students came into school and spoke to the Year 12’s at a luncheon regarding tips to well in year 12. We have been doing this with our year 12 groups for 13 years now and the advice our ex-students have been able to give has been excellent. They stressed the fact that it was good to have some down time away from study playing volleyball but had to keep organized because of it. A hint to all the year 12’s this year! Marc, Eloise and Chloe are all attending Adelaide University this year and as a volleyball community we wish them luck for the future!

Farewell Year 12’s:
Every year we have to farwell our Year 12 students as players from Heathfield High School. We thank them for their 5 years’ service to the volleyball squad and their amazing leadership skills they have shown throughout their time in the Volleyball program. The following year 12 students received certificates on behalf of the Heathfield High School Volleyball program for their service to the school:

Bianca Long
Lauren Hill
Chloe Bartel
Sana Shultz
Abbey Forrest
Kelly Bahr
Eloise Foale
Kimberly Lawson
Shelley Rutgers

It has been great to see 9 of our Year 12 students out and about in this year’s Junior League games and State Cup trainings! We appreciate the work that you guys have done and thank you for putting back into the volleyball program. We hope to see more of your faces in the later years!

Melbourne 2013:
We have already commenced planning for the Nationals in Melbourne. Buses and accommodation have been booked already and we are continuing to stay at Ormond College. The dates set for this year’s trip have us leaving Saturday 6.30am on the 7th December and returning Saturday 7.30am on the 14th December. The costs at the college have increased so the overall cost will be slightly higher. We have finalized the cost for the trip at $950. Remember parents can start monthly payments by contacting the school cashier.

Beach Volleyball Courts:
The sun has been shining and the music playing this summer on our outdoor beach courts. Social beach volleyball competitions have been running every Monday and Thursday night with the trainee from 2011 Chloe running the event. Indra has been running group personal training sessions most Mondays starting nice and early at 6 in the morning! Classes have been making the most of the sun we have had and have been battling it out in lesson time to gain a place in the Bombora tournament that was run on the 6th of March. The primary school kids have also been having a blast every Friday afternoon after school as part of their Spikezone program run at Mt Lofty.
**Year 8 Badges:**

Why do Heathfield Volleyballers have to earn their badge when players from other schools get their badge already sewn onto their uniform? What is the story behind that?

In the early days the Heathfield badge was on the volleyball top when you purchased the playing top like every other school or club. One night years ago some senior players went to see how the Heathfield juniors were doing at Junior League. They came back to school on the Monday morning very upset as they were not impressed with the level of play and the attitude of some of the junior players.

“They are strutting around the place with Heathfield tops on thinking they are hot and that they are “national champions” when they are not. We need them to have to work as hard as we do to join the Heathfield volleyball squad, and not have it as an automatic right just because you have been selected into the Heathfield program”.

The squad leaders then decided that perhaps the “badge” should be the defining moment that the senior players in the squad accept the younger players. It then became a tradition that if a junior player was awarded the “badge” they should have to play in a Heathfield team for some weeks and show they have met the following criteria:

1. The player must be enthusiastic and be motivated to learn from the coach.
2. The player must be a team player and must show evidence that the team comes first.
3. The player must have learnt how Heathfield teams celebrate points and can do it.
4. The player must be tough and can play the “Heathfield” way.
5. That the senior players would be pleased to have these players represent them and the “Heathfield reputation” in both State and National competitions.

Well done to our first two recipients of the Heathfield badge this year Jayden Fathers and Scarlett Doherty. These two students showed the above attributes through training and the Norwood challenge leading to the decision by the volleyball staff that they deserved their badges. Congratulations to the players who received their badges on the Albury trip and in the first couple of weeks of Junior League!

**Norwood Challenge:**

We had 6 year 8/9 teams attend a full day volleyball tournament at Brighton secondary school on the 24th of February. This was an under 15’s tournament so most of the year 8’s and a couple of year 9’s participated in the event. It was great to see the year 8’s enjoy their first volleyball tournament playing seven 30 minute games over the course of the day. In the end the 3 girl’s teams came 5th, 8th and 9th out of 9 teams competing and the boy’s teams came 3rd, 4th and 7th out of 7 teams. A big thank you to Stuart, Lachy, Mia and Mark for giving up their Sunday to be at the event. Also a big thank you to the senior students who volunteered to coach teams at the tournament.

**Bombora Beach Volleyball Titles:**

Congratulations to the players who won the inaugural Bombora Beach Volleyball Championships. Your names will be engraved on the Bombora surfboard trophy that was made by one of our past coaches Verity Hanka. Thanks to the music department for their fantastic music on the night. The volleyball program has decided to donate the entry fee from the night to the Sammy D foundation in memory of Lewis McPherson, a year 12 Brighton Open Honour Boys Libero from last year who sadly passed away over the holiday break. We would also like to thank Mark and Kim McPherson for making the trip up to the beach courts for the Bombora evening. It made it a whole lot more special for the Heathfield Volleyball community.
**Warrnambool Tournament:**

Heathfield took a senior boys and girls team to compete in the Warrnambool Volleyball tournament on the March long weekend.

The boys’ team coached by Stuart and managed by Peter had a great start losing only 1 set to Bendigo in the 4 pool matches that they played. They finished top of their pool meaning they would then crossover and play 2nd of the other pool the Blockheads. The boys prided themselves on their polished passing led by Libero Damien Nicholls which in turn gave our setters Jordan Colotti and Tim Pfeiffer a chance to set an attack that had the opposition blockers fooled and were punished by some big hitting from Regan Fathers, Cameron Salt and James Frolow. The boys then found themselves playing Bendigo the only team that they had lost a set too in the Grand Final. Lead by some big blocking from Simon Grey and Matt Moore the boys got out to a quick lead winning the first set. Bendigo then challenged playing some great floor defence which took some experienced hitting from senior player Henry Clough to help the team win the second set. Damien Nicholls again lead the passing for the team not making an error and for the first time in the tournament passing at a 3 average. The boys pushed through the last half of the set on a 13-2 run to eventually be crowned winners of the Div 2 Men’s Warrnambool competition for the first time ever!

The young girls group led by senior players Mia Suraharjo, Brittany Schnieder and Nikiesha Lamming-Slade were out to show what they had to offer against the older and more experienced teams that they were up against in the Div 1 competition. The girls played very close matches and were unlucky to finish with 2 wins and 2 losses after the pool round matches. The passing from both Libero’s Ella Mansell and Jamie Belsole was improving each match giving the young year 10 setter Elsie Dawes a chance to set some great balls to her outside hitters. Mary Shaw and Mia Suraharjo lead the way killing off balls with the team being helped by some good blocking form from Nikiesha lamming-Slade, Brittany Schnieder and Bonnie Blight. The girls were unlucky to finish 4th in their pool, being equal on 2 wins and 2 losses with 3rd position but having a lower set percentage. This meant that they played 4th place of the other pool for their final game of the tournament against a team named Southern Cross. Maddy Mark-Seymour produced some great hitting finding gaps in the opposition block and defence. Like she had been doing all weekend Mia Suraharjo gave her hitters the best possible chance to kill the ball through her setting giving the girls’ team a win in their final match meaning they came 7th in the competition. A special mention to Mia Suraharjo who was elected as the Most Valuable Player in their Div 1 competition for the second year in a row! Thanks to Stuart, Lachy, Mia and Peter who gave up their long weekends to help coach the two teams over the weekend.

Goldball Weekend: (From HHS website 16th & 17th March 2013)
Another fantastic competition with all players improving dramatically over the weekend. The Norwood teams were just a little more experienced in the Grand Finals with Heathfield taking the first set in both matches, dropping the second in both finals and going down 15-12 in both deciding sets. Thanks must go to the students who coached all weekend, also gaining valuable coaching experience as well as developing the big teams concept that Heathfield are renowned for. Also thanks to Mikasa who donated a set of Knee pads to every player in the winning teams and thanks also to the many parents who helped in the canteen all weekend.

National under 15’s (Albury – NSW): (From HHS Website 15th – 18th April 2013)
Heathfield travelled to Albury in the first week of the holidays with 3 girls and 2 boy’s teams. A Mt Lofty Reds team travelled with the group for the first time and played well all week to finish 8th overall. The Girls teams finished 1st, 7th and 13th and the boys 4th and 5th. Everyone made massive improvements over the week and the Heathfield spirit was well and truly alive with fantastic cheering all week, but in particular the finals. The girl’s semi-final against a powerful QLD 1 side was an epic five set battle, finishing with Lucy Ambagtsheer jump float serving unplayable bombs for the last 5 points to give Heathfield the win 15-13 in the fifth. All of the Norwood squad joined in with the Heathfield squad half way through the fourth set to raise the roof with noise as their girls had just beaten QLD 2 to book a spot in the final. They then played each other in the final with great serving from both teams dominating the game. Norwood took the first 2 sets with Heathfield showing unbelievable resolve to take the next 2 sets and then take the fifth 15-10. The boys battled QLD 2 for the bronze and got off to a flyer with a 25-8 first set. QLD then reduced errors and hit well to overpower the young lads to win 3-1. Heathfield combined with the Norwood squad to cheer the Norwood boys in the Grand Final against QLD 1, but the strength of the tall Queenslander was too much for the Norwood boys. The week was then topped by SA being named the Champion State, rewarding the unbelievable efforts of all of the Norwood and Heathfield teams.

A huge thanks to the coaching staff - Lachy Abbott, Mark Nielsen, Peter Giannes, Stuart Scott and Jason Matulick. The managers Janice Scott, Jordan Colotti, Mia Suraharjo, Simon Gray. Reds coach Jake McIntyre and managers Maddy Mark Seymour and Jo Peters. Also Rob and Jen Ambagtsheer and Tony and Mandy Mark-Seymour for their tireless work with the food and transport for the group.
Heathfield Volleyballers heat it up on the Beach

South Australia has again triumphed in the Australian Junior Beach Volleyball Championships winning the Andy Burdin Shield for best performed state at the recent championships held at South Melbourne Beach. This result was helped by the contributions of a number of Heathfield High School volleyball students and coaches.

The Andy Burdin Shield is awarded to the best performing overall state and South Australia claimed the title for the 9th time in the 13 years the event has been running. Alternating between different states each year the tournament returned to Victoria and players were treated to all of Melbourne’s famous varying weather conditions. Sunshine was interspersed between rain, thunderstorms and extreme winds but it gave players a true beach volleyball experience battling the many different elements and weather conditions.

The tournament introduced two new concepts in 2013 both with much success, changing to a 5 day event up from the previous 3 and also introducing an Under 15 category to the already existing U17, U19 and U23 divisions for both male and female athletes. The Under 15 age group was a 4-a-side tournament with all other divisions the traditional 2-a side format. Heathfield Volleyball program, fresh from being crowned overall national school champions in indoor volleyball last December, supplied 7 players and 3 coaches to the successful South Australian team.

Despite still being eligible for the U19 division Malachi Murch teamed up with SASI athlete Russell Moore to finish 2nd in the U23 Men’s division, producing some outstanding volleyball throughout the week. Simon Gray and Jordan Colotti, who represented Australia last December in Fiji, improved steadily throughout the week and played in an all-South Australian final in the Under 17 Men’s division. Unfortunately they were beaten in a very close 3 set final to finish 2nd and giving South Australia a very impressive first and second in the division. Regan Fathers also finished 17th in the U17 men’s division with some spectacular play throughout the tournament.

Maddy Mark-Seymour teamed with Jess Jones to finish 9th in Under 17 women’s and with the bonus of having another 2 years in the age group should build on her encouraging results.

The newly created Under 15 division was entered with some uncertainty from all states but turned out to be a great display of enthusiastic beach volleyball with a positive sign for beach volleyball’s future. Jayden Fathers and Tara Fathers both claimed gold for South Australia in the boys and girls divisions respectively.

Heathfield Volleyball teacher Mark Nielsen was successful in coaching the four men’s Under 17 pairs from South Australia, coming home with a gold and silver medal. Jason Potts was responsible for SA’s under 19 men’s teams and Verity Hanka coached the under 15 boys and girls teams to gold medal victories.

Overall South Australia won 6 medals with 3 gold and 3 silver medals.

Renault National Beach Volleyball Series

A number of Heathfield athletes have been successful on the Renault National Beach Volleyball Series with events held at Cronulla Beach (NSW), Surfers Paradise (QLD), Scarborough (WA), St Kilda (Vic) and Glenelg (SA).

Sam Boehm has continued his impressive run of beach volleyball success with 2nd place in the first two rounds of the national tour for Australia’s best beach volleyball players. Teaming with Cole Durant, a new partner from WA, Sam was using the tour to try out a new partnership with the possibility of continuing the pairing on this seasons World Tour.

Young Malachi Murch, a product of Heathfield High School’s Volleyball Program, was also successful in the early rounds of this year’s national tour with two 5th place finishes, very respectable for such a young athlete. Teaming with Russell Moore in Cronulla and Mark Nielsen in the Surfers Paradise round. Malachi also finished a career best 3rd in St Kilda teaming with Hamish Moore.

Simon Gray and Jordan Colotti also gained valuable experience in the Adelaide round finishing 17th.

South Australian Beach Volleyball Series

Congratulations to the following Heathfield players who participated with success throughout this summer’s SA Beach Series:

- Jayden Fathers
- Max Casbolt
- Regan Fathers
- Simon Gray
- Jordan Colotti
- Jake McIntyre
- Henry Clough
- Mia Suraharjo
- Maddy Mark Seymour
- James Collins
- Jarryd Cotter
- Malachi Murch

Heathfield players representing South Australia: from left to right – Back: Mark Nielsen (Coach), Maddy Mark-Seymour, Regan Fathers, Jordan Colotti, Malachi Murch, Simon Gray Bottom Row: Tara Fathers, Jayden Fathers
SA Beach Volleyball Player Awards

The following players were rewarded for their commitment to the SA beach series with the following peer voted awards.

**AAA Men**
Sam Boehm – Best Server, Best Receiver, Best Attacker, MVP
Mark Nielsen – Best Defender

**Junior Men**
Regan Fathers – Best Server

**Junior Women**
Maddy Mark-Seymour – Best Receiver

**State Players:**
Congratulations to the following Heathfield Players who have made 16’s, 17’s or 19’s State Indoor Volleyball teams:

**16 Boys:**
Jayden Fathers
Jack Phelan
Jake Applebee
Jarryd Cotter

**17 Boys:**
Sam Coldwell
Brad Applebee
Ben Williamson

**18 Boys:**
Jordan Colotti
Jake McIntyre
Simon Gray
Damien Nicholls
Regan Fathers

**16 Girls:**
Lucy Ambagtsheer
Maddy Mark-Seymour
Cheniah Potts
Elsie Dawes

**17 Girls:**
Maddy Mark-Seymour

**19 Girls:**
Mia Suraharjo (Vice Captain)
Georgia Williamson
Nikiesha Lamming-Slade

**Important Dates:**
- Year 10 Knock Out Finals – 28th June
- National Juniors (Canberra) 8th – 12th of July
- **State Cup** – 2nd, 3rd and 4th of August (Week 2 Term 3)
- Open Knock Out Finals – 8th of August
- Under 16 State (Queensland) – 16th – 23rd of August
- Senior League Grand finals – 31st of August
- Junior League Grand finals – 20th September
- Quiz Night – 25th October
- Port Augusta Open – 26th – 27th October
- Year 8/9 Knock Out Finals – 8th of November
- **Australian Schools Cup** – Depart 7th arrive home on the 14th of December

**Uniforms**

We have some very good deals regarding our volleyball uniform this term!

We have a volleyball playing top with the stripes slightly in the wrong spot. So we are selling them as a training top for $15 each! This is the exact same as the playing tops that all students have that they play in at state cup and Melbourne which normally costs $50!!! So be quick as we only have around 20 shirts in both size 12 and 14.

We also have our “Old School” Heathfield Volleyball winter jackets on special. These jackets are very warm and are perfect for parents who want to look a part of the big team at State Cup!

These jackets are normally $27.50 but can be purchased for a limited time only for $20!!

If you would like any of these items please pay at the cashier and bring your receipt down to peter to receive your uniform!

**Email**

We have now begun to use an email system to help communication between the Heathfield Volleyball program and parents. Notes will now be given to students like usual but also a copy sent to your email. The emails that have been supplied to the school will be the ones used. If you don’t have an email a hard copy will still be given to your child and one sent to their personal email address at school. We have already put this process into practice following up State Cup and Melbourne information and it seems to be working!
