UNIFORM POLICY

Rationale

In accordance with the Regulation under the Education Act, the Governing Council has the power to decide the appropriate uniform for the school. All students in Years 8 – 13 at Heathfield High School are required to wear the school uniform. All items of school uniform (other than the plain, completely black shoes and winter waterproof navy blue school jacket) must be purchased from The Uniform Shop at Mt Barker.

A written note from home does not provide an exemption. Students who are not compliant with school uniform will:

- on the first occasion, be issued with a “Non-Compliance with School Uniform Notification”
- on future occasions be issued with a “Non-Compliance with School Uniform Notification”, and if consistently non-compliant be sent to the Flexible Support Centre (FSC) where they will continue with their ongoing classwork for each of their subjects. Contact will be made with a parent by the FSC supervisor, Assistant Principal or Student Wellbeing Coordinator. Once compliant with uniform the student will return to scheduled subject lessons. Where possible, suitable items of uniform will be loaned to the student so that they can return to lessons.

Parents and students are advised that any garments other than the approved uniform items are NOT part of the School Uniform and are therefore unacceptable.
